

Cipher

```
graph BT; KeyB_fixture[KeyB_fixture] -.->|p| Cipher[Cipher]
```

A diagram illustrating a relationship between two components. At the top is a white rectangular box labeled "Cipher". At the bottom is a gray rectangular box labeled "KeyB\_fixture". A dashed purple arrow points from the "KeyB\_fixture" box up to the "Cipher" box. The arrow is labeled with the letter "p" in the middle.
